

**Annexe to the  
MEMORANDUM OF UNDERSTANDING  
between  
Universitas Halu Oleo (Indonesia)  
and  
Université de La Rochelle (France)  
on their  
COOPERATION PROGRAMME**

This annexe to the Memorandum of Understanding between Universitas Halu Oleo (UHO) and Université de La Rochelle (ULR) settles the details of their cooperation programme.

**Article 1**

**STAFF IN CHARGE OF THE COOPERATION COORDINATION**

- a) The two partner universities appoint a joint coordination team in charge of the academic coordination and follow-up of this cooperation. This coordination team consists of Dr. Philippe Grangé (ULR) and Dr. Armid (UHO). They can be replaced on decision of their respective universities, without invalidating the present agreement. Their replacement would immediately be notified to the partner university.
- b) The activities realized in the framework of this Cooperation Programme will be assessed in an annual report written by the coordination team and diffused within their respective institutions.
- c) The administrative aspects of the cooperation, as mentioned in article 7, will be dealt with by the respective International Offices of the two partner universities.

**Article 2**

**ORGANISATION OF THE STAFF EXCHANGES**

- a) For participating in an exchange between the two institutions, the lecturers and researchers must be permanent staff members or PhD students at their home university.
- b) These exchange activities will lead to stays of variable durations at the host university, in accordance to the regulations of each country.
- c) The staff exchanges are not necessarily balanced between the two institutions in terms of staff number or duration of stay.
- d) Each of these exchanges will be realized upon agreement of the two institutions, represented by the coordination team as defined in article 1. Prior to this agreement, the staffs wishing to participate in this exchange activity are required to provide the coordination team with a
